RFP: 2018-0021: Surveillance System – 39 Tecumseh

Re: **Proposed Services – For a complete solution to design, supply and install a new surveillance system at 39 Tecumseh Ave, London, Ontario**

39 Tecumseh Ave is a 38 unit, two-storey walk up with three (3) separate residential buildings on the property that is in need of a surveillance system. There is currently no surveillance equipment at the building.

We invite you to submit a proposal to provide a complete solution to design, supply and install a new surveillance system at 39 Tecumseh Ave.

At a minimum, include the following in the proposal:

- Surveillance coverage in all common areas including hallways and front entrance, stairwells, lounge, laundry room and the exterior
- Ability to view surveillance video remotely
- A battery back-up solution

The award of this tender will be based on your defined scope of work and price for each aspect of that work.

Final scope direction will be provided after the **Site Meeting** which has been scheduled for **Wednesday, August 1st, 2018 at 11:00 a.m. at 39 Tecumseh Ave, London, Ontario.**

Your proposal must be enclosed in a sealed opaque envelope and be submitted to:
